ECOSOND Poster Award

The best posters will be awarded and announced during the conference and in the reports. We value posters equally as oral presentations. They give you the chance to present your results, graphs and pictures in a non-transient form and discuss them with the participants during the dedicated poster session or any other time.

The award is endowed by company ECOSOND s.r.o. with the sum of 300 € **....take the chance!**

Please, send the filled registration form by mail until 31 July 2026.
